FASTER REIMBURSEMENT, FEWER HASSLES ON THE ROAD

Mobile devices are made to travel, and Certify Mobile is the perfect companion for all your employees on the road. Instead of keeping track of paper receipts, simply take a photo with any smartphone or camera-ready tablet and receipts are automatically added to expense reports.

T&E management is easy with the free Certify Mobile app:

- **Extracts, stores, and syncs** expense data in real time giving employees the freedom to manage expenses from any location, anytime

- **Maximize travel downtime** with the ability to add receipts or comments in offline mode; data syncs automatically upon reconnecting to the Internet

- **Notifies managers** when expenses are ready for review and allows for approval from any mobile device for faster employee reimbursement
