## **Sage Reseller RKL eSolutions Acquires Massachusetts-based Waterview IT**

*Expansion positions company as premier Sage MAS and CRM reseller*

**Lancaster, PA – November 10, 2010** – RKL eSolutions, LLC ([www.rklesolutions.com](http://www.rklesolutions.com)), a Sage reseller and IT consulting firm headquartered in Pennsylvania, has announced the recent acquisition of Massachusetts-based Waterview IT, LLC. The staff of Waterview IT has been integrated into the team at RKL eSolutions and will continue providing implementation and support for Sage MAS 500, Sage MAS 90, Sage MAS 200, Sage FAS Fixed Assets, and Sage SalesLogix CRM.

With the additional resources and consultants, RKL eSolutions ([www.rklesolutions.com](http://www.rklesolutions.com)) is able to provide increased services and support for Sage business software and technology solutions. Joe Noll, President at RKL, says the acquisition forges a path of continued growth and opportunity. “We’re now positioned as the premier Sage reseller and Sage development partner in our market. The integration of the RKL and Waterview teams opens up opportunities for company growth as well as career growth. This is a very exciting time for all involved.”

Anne Brennan, former president of Waterview IT, points out how the two companies were a fantastic match. “This means more than just an expanded product offering and larger presence in the market. Both companies already had complementary capabilities and an unyielding commitment to client service. By joining forces, we combine the best products with exceptional knowledge and depth of experience.”

Formerly operating within CPA firm Reinsel Kuntz Leshner LLP, the RKL IT Services Group has established a new entity. RKL eSolutions, LLC is now a subsidiary focused exclusively on providing business software and IT services. With the acquisition, RKL eSolutions will serve clients from the offices in PA as well as King William, VA and Norwell, MA.
